

# Twisted Scissors Salon

## Guidelines for Appointments Phase 2

*Upon arrival, please call the salon at 919-303-7775 to let us know you are here. You may be asked to wait in your car. If so, we will contact you to let you know when it's ok to come in.*

### We ask that you bring...

*A mask to be worn for the entire time of your service.*

*A snack and a drink if you need as we are not able to serve anything at this time. Only bring necessary items with you such as keys, phone, form of payment, and a small handbag.*

### We will check and log your temperature upon arrival.

*If your temperature is 99.9 or above, we will need to reschedule your appointment.*

### Only the client having the service is allowed into the salon.

*Please do not bring friends or family with you to your appointment. If you are a parent bringing a child to an appointment, the child's temperature will be taken upon arrival. You may consult with the stylist outside, then the child can enter for the service wearing a mask. Parents or caregivers are asked to wait in their car or outside.*

### We have upgraded all of our sanitation practices. You will find that our stylists and our team have done many things to prepare for your visit such as:

- *Thoroughly cleaning stations and implements using hospital grade cleaner*
- *Sanitizing all surfaces and tools*
- *Providing fresh capes and towels*
- *Completing Barbicide COVID-19 Certification*

*Thank you for your patience while we sanitize between clients. While it might take longer, please know that our cleaning procedures are extremely important for everyone's health. If you have any concerns or questions, please discuss with your stylist. Thank you!*
